SYSBEL Type-II Metal Safety Cans SCAN004Y

Comply with OSHA29 CFR910.106&1910.144 of OSHA as well as NFPA CODE 30 of NFPA

SYSBEL Type-II Metal Safety Cans

• Vented design provides smooth, glug-free liquid flow

• 220-mm long metal hose helps control the pour into small openings

• Stainless steel flame arrester prevents flashback ignition

• Two-openings – one for targeted pouring, one with ergonomically designed lift-lever for easy filling

• Sealed lid features automatic positive-pressure relief to protect against explosion

• Label ID zone provides writing space to identity contents, department location, or individual user name

• Tough powder-coat finish resists chemicals

• Certified by CE Approvals, meet OSHA and NFPA requirements
